

IN MY HEART
by G. A. Kowatch

Verse 1

It's been a while since I saw you
Things didn't end like I wanted
I wish I could turn back the time
To change the things that broke us apart

Chorus

What would I do if I hadn't kept you
in my heart

I can handle it
I can handle it
I can do all things
with you in my heart

Verse 2

They say that time should heal my pain
But I've been hurt for a long time
I've spent so many days alone
Every day still hurts the same as before

Chorus

What would I do if I hadn't kept you
in my heart

I can handle it
I can handle it
I can do all things
with you in my heart

I can handle it
I can handle it
With you in my heart
in my heart (3x)

Verse 3

My life goes on; I've learned some things
I've made new friends who remind me
That even though I've let you go
You'll always have a special place here
in my heart

Chorus

I can handle it
I can handle it
I can do all things with you
I can do all things with you
in my heart (5x)
