

I NEED TO BE BRAVE

by G. A. Kowatch

Verse 1

Why did you leave me?
Was it your time to?
You didn't say goodbye

I miss you so much
Wish I could see you
Wish I could hear you telling me

Chorus

I need to be brave
To face stormy days
I need to be brave
To face all my fears
I need to be brave
I need to be brave
'Cause I am never alone

Verse 2

When I dream of you
I can hug you tight
Please visit me tonight

Now I can feel you
Like a white angel
Whispering to me, telling me

Chorus

I need to be brave
To face stormy days
I need to be brave
To face all my fears
I need to be brave
I need to be brave
'Cause I am never alone

Ahh, ahh, ohh, ohh
I need to be brave
'Cause I am never alone
Ahh, ahh, ohh, ohh
I need to be brave

Chorus

I need to be brave
To face stormy days
I need to be brave
To face all my fears
I need to be brave, brave!
I need to be brave, brave!
I need to be brave
'Cause I am never alone
'Cause I am never alone
I need to be brave
